REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Hunter-Kinard-Tyler High School is to prepare students to become successful, productive citizens in a global society and to assist them in reaching their fullest potential by providing a broad and flexible curriculum that incorporates technical experiences in a safe and orderly environment.

Various teaching strategies and resources were used to improve academic performance such as: additional staff were added to lower class size in middle school Social Studies and Science, the Benchmark Testing Program was enhanced by using MAP scores in grades 7-10, curriculum from Anderson School District Five was implemented to provide uniformed school-wide instruction, afterschool tutorial sessions were held in English and Mathematics, enrichment classes were provided for students taking the HSAP and PACT, the Credit Recovery Program assisted students in earning credit for a course in grades 7-12, and Honor Roll celebrations were implemented. Regular review and analysis of data continues to drive instruction.

The Varsity Girls' and Boys' Basketball teams participated in the Upper State Finals and the Girls went to the State "A" Basketball Championships. The school participated in Orangeburg County Community of Character Program. Thirty percent of the graduating senior class participated in Claflin University's Humanities Festival, and three students were awarded scholarships ranging from \$500 to \$2,500 based on their winning essays. Twenty-seven new members were inducted into the National Honor Society. The Student Government continued their Thanksgiving Day Drive by collecting can goods for the needy.

Parents, teachers, students, and the community have an important role in education. Together, we can educate our students to help them become successful, productive members of society. We look forward to our continued partnerships at Hunter-Kinard-Tyler High School, where we are "Promoting Excellence."
